CANADA

(Montreal) Elyse Viotto- elyse.viotto@gmail.com

****I'm including the category of Study Groups as a resource. Study groups are NOT guilds, but might be the budding of a new guild or the remnants of a floundering guild. They are designed to encourage a common interest in lettering arts. They gather as often or as little as they choose without any formal structure, but perhaps with enough interest, another guild could come to life. Wouldn't that be terrific? tj**

****INACTIVE GUILDS/SOCIETIES AS OF June 2026****
